Senator for Nevada, Majority Leader

## Service Academy Application Process FACT SHEET

Dear Potential Candidate,

We congratulate you on choosing to apply to a United States Service Academy. This form will serve to guide you through the process of applying for a senatorial nomination to a service academy. All of the required materials in the list below must be fully completed and received in our office by **October 31, 2011**.

1. **The enclosed application.**
2. **SAT and/or ACT scores. Scores reported on your official high school transcript are acceptable.**
3. **Three letters of recommendation limited to your principal, guidance counselor, high school teachers, and coaches.**
4. **Official high school transcripts, which show your cumulative grade point average (GPA) and your class ranking. If you are in prep school or college, please provide transcripts through your senior year.**

Please remember that we must have all of these items included with your application to complete this process. Although your SAT and/or ACT scores must accompany the completed application, we will accept supplementary scores after the application deadline, if you choose to take the exam again. If your application is completed in full by **October 31, 2011**, we will contact you to schedule an interview with the Senator's Academy Selection Committee.
